

Food & Beverage Package

Welcome to Inspired Events! I'm so excited and thrilled you've decided to inquire about our services and what makes us the perfect fit for your big day!

Well, there's the usual stuff: we've produced more than 1,000 weddings in the 12 years I've been in the industry. So, we definitely have the expertise it takes to make your day amazing!

Our food is delicious and our staff is trained, professional, and love to see you and your guests' smile. Our partners are award winning and we've been recognized by The Knot, Wedding Wire, Best of Coral Gables, Ocean Drive Magazine, Voyage Miami, Destination Weddings & Honeymoons, and by many others in the industry as one of the top in our field.

However, this isn't why you would choose us, as others in our industry are also great at what they do. You would choose Inspired Events for the intangibles you can't measure with awards. We are trained on how to keep calm and deal with high levels of stress during hectic times. We travel through your journey into marriage together, by your side, guiding and helping you stay focused on what matters the most-your vision for your special day. You would choose us because our experience with love has taught the team to appreciate patience and the importance of listening and compassion during such a stressful time.

It's our moment to make you shine as a couple and that's what we do and do well!

We love to improve, so suggestions, ideas, and comments are always welcomed! Please email me at Maggie@miamiweddingsandevents.com or call 305.421.6335 to chat. I'm always available to assist you. Although, Priscilla is the best event producer, and you are definitely in good hands with her by your side.

Welcome!

Regards,

Maggie Rodríguez
