2026 Packages

WELCOME TO *Inspired Events*

As the founder and CEO of Inspired Events, I am thrilled to share with you our package for the Spanish Monastery. Intentionally curated services and offerings based on YOU: Your vision, your budget, your vibe! For the past 20 years, I've watched the industry transform in so many ways, keeping up is often challenging! However, by always staying true to our principle - APPROACHABLE LUXURY: giving our clients a quality product with top notch service, award winning cuisine, and sensible options, all for a fair price, we continue to grow, and are proud to be the leader in an oversaturated market.

Our packages are NOT available at every venue. This is by choice. The nature of our services require partnerships with others that place the same values on their products and services as we do on ours. It's a team effort that guarantees a flawless experience for you, our client. This is why we feature only select spaces on our site, and work with vendors that are as client focused as we are. While we can create events large or small, simple or complex- our true passion is designing timeless experiences that never lose sight of the true meaning of the celebration: bringing people together to celebrate LOVE.

My team and I can't wait to travel down this road with you.

All communication is tracked via Planningpod's 'time entries' tab and is available for your review through your client portal. Most communication has a value of 0.5 or greater.

PDF reports are generated after each communication with any member of our team, so you can see how many hours of your planning time have been used at any given time. **Credit is not given for unused time.** Additional production hours are billed at \$100 for junior producers, and \$175 for senior producers. Production hours vary based on event schedule. **When hiring a wedding planner, he/she shall be the one to attend the aforementioned virtual meetings. Walk-through and rehearsal are the responsibility of the event planner, and our team will not be in attendance.**

*Included in both packages.
